CAPITAL CAMPAIGN
Mustang Athletic Complex Completion

It's time to complete the MAC

*The Crown Jewel
of Northern Kentucky*

Thank You

Thank you for your prayerful consideration on donating to the Capital Campaign to help us construct a Baseball and Softball complex at the MAC. These additions will not only support our Baseball and Softball teams but will be able to be used year-round by other BBHS outdoor sports and community sports (soccer and football to name a few).

Your donation will go a long way in supporting the future BBHS outdoor athletic program as you will be helping the entire Mustang community, the students and the families of our four feeder school parishes as well as the community of Alexandria and all Southern Campbell County.

When complete, this overall complex of 3 large Synthetic Field Surfaces will be a one-of-a-kind Athletic Center not only in Northern Kentucky but the entire region. This complex will allow BBHS to continue to grow interest and will allow us to host many wonderful events. Our goal for this project is 4 million. Thank you again for your support!

The Baseball & Softball Complex includes:

- 2 Synthetic field services for year-round use for multiple outdoor sports
- Each Field will have a "Green Monster" in left field to bring a unique feel to the stadiums
- Dugouts, Fencing, Lighting, Press box and Concession
- Additional parking and infrastructure for the overall complex
- The Mustang Athletic Complex endowment and revenue generating opportunities will offset the ongoing cost to operate these additions.

Additional Giving Opportunities at BBHS

- Updating the original science and chemistry lab to a more modern space
- Educational Endowment which helps support our teachers by having funds available to help cover the cost of their continuing education needs
