ALL ABILITIES TRACK PROGRAM

We are excited to share with our BBHS Community our newest partnership with All Abilities Sports NKY! Beginning on May 4, this incredible program will utilize the Mustang Athletic Complex on Sundays for their Track program! We are seriously blessed!

To learn more about their programs or looking to volunteer, please check out their Facebook page or visit their website at:

<https://www.allabilitiesnky.com>

BBHS MENS AND WOMENS GOLF OUTING

Circle your calendar for *Friday, June 20, 2025*! Get your foursomes together for a great day on the course. The BBHS Golf outing will be held at A J Jolly Golf Course and include 18 holes with cart, beer and refreshments, prizes and guaranteed fun!

Registration is now live! <https://bbhsgolf2025.givesmart.com/>

WELCOME CLASS OF 2029

It truly was a Good Friday as we get to introduce some of our incoming freshman, the Class of 2029, to our BBHS Community! This class has so much personality, zest, and excels academically, athletically, and spiritually! A major thank you to Marylu Woeste Steffen and Donna Rebholz Rauch, Class of 1973, for volunteering their time putting in our future Mustangs yard signs! Past+Future=Together! We can't wait to have this class start at BBHS in August! We are thriving here on campus and we couldn't be any prouder to welcome them to a community of success! Once a Mustang, Always a Mustang!

2024-25 ANNUAL APPEAL

The Development Office is known to have a lot of fun during the school day! Will you join us?! For all BBHS Alumni, we challenge you to donate to this year's Annual Appeal the amount of the year you graduated! How fun is this?! Did you graduate in 2003? Your donation total would be \$20.03.

Not an Alumni but enjoy everything you hear and see about BBHS? You can donate too! 🍌

You can mail your payment directly to:
Bishop Brossart High School
ATTN: Development Office

At BBHS, we strive each and every day to ensure the educational foundation for our Mustangs future is concrete! From offering dual credit college courses, advanced high school courses, to our students involved in the Area Technology Center program to enhance their technical skills training post- graduation, we aim to serve each students educational goals! We offer a wide array of clubs that focus on service and collaboration with a hands on learning approach alongside our community. Together, with faculty support, we promote the enhancement of our students critical thinking skills through our Robotics and Academic Team programs.

By donating to our Annual Appeal, we can continue to grow together in all these areas benefiting our students! Additionally, we can provide opportunities for our dedicated teachers to help them continue to be a strength in our school and enrich their curriculum through professional development and support! Our goal for this year is \$110,000! Our BBHS community has been incredibly good to us and our way of giving back is investing our heart and soul in our current and future Mustangs lifelong endeavors! We are BBHS!
