

# Summer Reading Grades 4 and 5

- This summer your **incoming 4th or 5th grader** has the opportunity to continue reading while earning various rewards depending on the amount of on-level reading that is completed
- When your student completes an on-level book, he or she will need to write a five-sentence review. **(A review is different from a summary. A review explains how the reader feels about the book. Was it liked or not; why or why not.)** Papers will be handed out at the end of the year or students can print and complete the attached form.
- **Bronze Level:** Completion of one review, students earn an out-of-uniform pass.
- **Silver Level:** Completion of two book reviews, students earn the above mentioned reward and an extra recess with a popsicle.
- **Gold Level:** Completion of three or more book reviews, students receive the above mentioned rewards and an ice cream treat.
- **Due on the first day of school.**
